The Crimson Cap ladies gather for their monthly meeting but get more than they bargained for with treacherous weather snowing them into Millie's house which may or may not ALSO be home to an unwelcome and otherworldly entity!

Hijinx, hilarity, wit, and some of Millie's special "herbal remedy" are once again key ingredients to another Crimson Cap caper.

*Chris Mckerracher is a local playwright we are excited to be partnering with!

His hilarious and well loved characters

"The Crimson Cap Ladies" have been featured in numerous plays written by Chris, and we are excited to be the first Leduc performance of this brand new script.
